

Here I Am Again

By Doug LAnza

Intro: E – Emaj7 (*vamp x4*)

Chorus:

E A2
Here I am again surrendering to you,
Bsus C#m7
Opening my heart for you to see right through,
A2 Bsus
I can hardly wait to be with my best friend,
E – Emaj7 (*vamp*)
Here I am again.

Verse:

E Emaj7
There's a place of rest I've found in you,
A2 Bsus
A place of peace and joy,
A2 C#m7 Bsus - B
A refuge in the shadow of your wings.
E Emaj7 A2 Bsus
A healing touch that covers me when I draw close to you,
A2 C#m7 Bsus
I'm longing now to see your holy face.

End Vamp:

E Emaj7 E – Emaj7
A place of rest I've found in you
(Joy) (Peace)
